FreshCart Supermarkets Hiring Team
Subject: Application for Butcher / Meat Counter Assistant (m/f/d) – Zagreb-Jarun store

Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant role. My experience includes both hands-on butchery and customer-facing work at a meat counter, supported by completed vocational butcher training and a current HACCP basic food hygiene certificate.

In my current role at Mesnica Kod Ante, I break down beef and pork, bone, trim and portion meat for the counter, and prepare four kinds of fresh sausage. I also record twice-daily temperature checks for the cold room and display counter. At the Tržnica Dolac meat hall stall, I served customers, weighed and priced orders, and handled till and cash-up duties. Across these roles, I have advised customers on cuts and cooking times and helped train two apprentices in safe knife handling and cleaning routines.

FreshCart's "Ask the counter" promise closely matches the customer advice I provide in my work. I would bring practical meat preparation skills, experience maintaining hygiene and temperature records, and a friendly, informed approach to customer service to your team.

I would welcome the opportunity to discuss how my experience could contribute to the Zagreb-Jarun meat counter. Thank you for considering my application.

Sincerely,
Tomislav Mesarić
