Dear Hiring Team,

I am writing to apply for the Butcher / Meat Counter Assistant position at FreshCart Supermarkets' Zagreb-Jarun store. I bring nine years of meat-counter and butcher-shop experience, completed vocational butcher training, and HACCP Basic Food Hygiene certification renewed in 2024.

In my current role at Mesnica Kod Ante, I cut, bone, trim and portion fresh meat for the service counter, including beef forequarters and pork sides, and make four kinds of fresh sausage. I record cold-room and display-counter temperatures twice daily, and keep equipment and work areas clean and safe. I also serve around 120 customers on a Saturday, advising them on cuts and cooking times—experience that fits FreshCart's emphasis on knowledgeable, honest counter service.

I would welcome the opportunity to bring my practical butchery skills, HACCP-based hygiene awareness, and customer service to your team. Thank you for considering my application. I look forward to the opportunity to discuss how my experience could support the Zagreb-Jarun store.

Yours sincerely,

Tomislav Mesarić
