Dear Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart Supermarkets' Zagreb-Jarun store. I bring nine years of experience in butchery and meat-counter service, including completed vocational butcher training and HACCP knowledge.

In my current butcher role, I break down beef, pork and lamb, bone and trim cuts, and cut, portion and package fresh meat for the service counter. I also prepare fresh sausages and advise customers on cuts and cooking times. Previously, at the Dolac market stall, I served customers, weighed and priced orders, operated the till and maintained clean, sanitised equipment and counters. These experiences have given me a strong foundation in both practical meat preparation and friendly, helpful counter service.

I am used to recording temperature checks twice daily and rotating cold-room stock each morning using FIFO. I take care to maintain hygienic work areas and reliable stock routines, and I have trained two apprentices in knife handling and cleaning practices. I would welcome the opportunity to support FreshCart's Zagreb-Jarun counter with reliable FIFO stock rotation, careful hygiene records, and honest, helpful advice on cuts and cooking.

Thank you for considering my application. I would be pleased to discuss how my experience could contribute to the Zagreb-Jarun store.

Kind regards,
Tomislav Mesarić
