Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I have worked in customer-facing meat retail since 2015 and as a butcher since 2019.

I hold a completed three-year vocational certificate in Butchery from the Food Trades School Zagreb, and in my current role I cut, bone, trim and portion beef, pork and lamb for the service counter. I also prepare fresh sausages, rotate cold-room stock each morning using FIFO, and record temperature checks twice daily. My HACCP food hygiene training and experience maintaining clean, safe equipment and counters align closely with your focus on hygiene and well-stocked service counters.

I serve around 120 customers on a Saturday and advise them on cuts and cooking times. I would welcome the opportunity to bring my butchery and counter experience to FreshCart's team.

Thank you for considering my application. I look forward to discussing how my experience could support the Zagreb-Jarun store.

Kind regards,
Tomislav Mesarić
