Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I am a qualified butcher with experience in carcass breakdown and meat-counter service, along with HACCP knowledge and daily FIFO stock rotation.

In my current role at Mesnica Kod Ante, I break down beef and pork, bone and portion meat for the counter, and record temperature checks twice daily. I serve around 120 customers on Saturdays, advising them on cuts and cooking times. I also make fresh sausages and train apprentices in knife handling and cleaning routines. Previously, at the Tržnica Dolac meat stall, I weighed and priced orders, operated the till and kept equipment and work areas clean and sanitised.

FreshCart's emphasis on fresh local food and knowledgeable, helpful counter staff appeals to me. I would bring practical butchery experience, reliable stock rotation and careful attention to hygiene and food-safety records to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience could contribute to the meat counter at your Zagreb-Jarun store.

Kind regards,
Tomislav Mesarić
