Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart's Zagreb-Jarun store. Since 2015, I have worked in meat counters, and since 2019 I have combined carcass breakdown and portioning with customer service, stock rotation and temperature records.

At Mesnica Kod Ante, I break down beef and pork, prepare fresh sausages, and advise about 120 Saturday customers on cuts and cooking times. I rotate cold-room stock each morning using FIFO and record cold-room and display-counter temperatures twice daily. I hold a basic HACCP food hygiene certificate, renewed in 2024, and have trained two apprentices in knife handling and cleaning routines. The shop's ćevapi, whose mix I adjusted following customer feedback, won 2nd place at the 2023 Zagreb County craft meat fair.

FreshCart's staffed meat counters and "Ask the counter" promise make product knowledge and honest customer advice central to the role. I would bring hands-on butchery, careful hygiene routines and experience serving busy counter customers. I am also preparing for the master butcher exam, planned for spring 2027.

I would welcome the opportunity to discuss my experience and how I could contribute to the Jarun store.

Kind regards,

Tomislav Mesarić
