Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart's Zagreb-Jarun store. My experience combines trained butchery with hands-on meat-counter service, and I bring a strong foundation in safe meat preparation, stock rotation and customer advice.

At Mesnica Kod Ante, I break down beef and pork, bone and portion meat for the counter, make fresh sausages and advise customers on cuts, quantities and cooking times. I rotate cold-room stock using FIFO and record temperature checks twice daily. I also hold a basic HACCP food hygiene certificate, renewed in 2024, and have trained two apprentices in knife handling and cleaning routines.

I have developed and refined products in response to customer feedback, with the shop's ćevapi winning second place at the 2023 Zagreb County craft meat fair. My experience preparing meat for catering orders and keeping detailed temperature and weight records during a dry-ageing trial has strengthened my care for product quality and consistent work. FreshCart's focus on fresh local food and its promise of knowledgeable, honest advice at the counter are a strong fit with the work I do.

I would welcome the opportunity to discuss how my butchery, hygiene and customer-service experience could contribute to your meat counter team. Thank you for considering my application.

Kind regards,
Tomislav Mesarić
