Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart. I completed my butcher training in 2015 and have worked in a market meat stall and a family butcher shop, preparing meat and serving customers.

At Mesnica Kod Ante, I break down beef and pork, and bone, trim and portion meat for the counter. I also make fresh sausages and advise customers on cuts and cooking times. On a busy Saturday, I serve around 120 customers. This experience fits well with FreshCart's "Ask the counter" promise of knowledgeable, honest advice.

Food safety is an important part of my work. I hold a basic HACCP food hygiene certificate, rotate cold-room stock each morning using FIFO and record cold-room and display-counter temperatures twice daily. At the Dolac meat hall, I cleaned and sanitised equipment and wrote a closing checklist following a hygiene inspection remark.

I would welcome the opportunity to discuss how my butchery and customer service experience could contribute to your team. Thank you for considering my application.

Kind regards,
Tomislav Mesarić
