Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart's Zagreb-Jarun store. I have completed butcher training and bring nine years of experience across a meat counter and a butcher's shop, combining practical cutting skills with helpful customer service.

In my current role, I break down beef, pork and lamb, bone and portion cuts for the counter, and make fresh sausages to the shop's recipes. I also rotate stock using FIFO, record temperature checks twice daily and advise customers on suitable cuts and cooking times. On busy Saturdays, I serve about 120 customers. Alongside this, my earlier counter experience included weighing and pricing orders, operating the till, and cleaning and sanitising equipment and work areas.

I hold a basic HACCP food hygiene certificate, renewed in 2024, and take care to maintain accurate checks and hygienic work routines. FreshCart's emphasis on knowledgeable, honest advice and well-stocked counters fits the way I approach the work: with attention to the product, food safety and each customer's needs.

I would welcome the opportunity to discuss how my experience could contribute to the Zagreb-Jarun team. Thank you for considering my application.

Kind regards,
Tomislav Mesarić
