Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I hold a completed Vocational Certificate in Butchery from Food Trades School Zagreb and have worked in butchery and meat-counter roles since 2015, with hands-on experience in carcass breakdown, meat preparation, food hygiene and customer service.

In my current role as a butcher, I break down beef, pork and lamb carcasses, then bone, trim, cut and portion fresh meat for the service counter. I also prepare fresh sausages, rotate cold-room stock each morning using FIFO, and record cold-room and display-counter temperature checks twice daily. My HACCP training and daily hygiene routines support the careful handling and presentation of fresh meat.

I enjoy helping customers choose cuts and quantities and explaining how to prepare them. I serve around 120 customers on a Saturday and have trained two apprentices in safe knife handling and cleaning routines. FreshCart's "Ask the counter" promise and its emphasis on knowledgeable, helpful service reflect the kind of customer-facing work I value.

I would welcome the opportunity to discuss how my practical butchery experience, HACCP discipline and reliable customer-counter service could contribute to your meat-counter team. Thank you for considering my application.

Kind regards,
Tomislav Mesarić
