Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart Supermarkets' Zagreb-Jarun store. I have worked in butchery since completing my vocational butcher training in 2015, including experience breaking down beef, pork and lamb, cutting, boning, trimming and portioning meat for the service counter, and serving customers.

In my current role, I bone, trim and portion carcasses, prepare fresh sausages, serve approximately 120 customers on a Saturday and advise them on cuts and cooking times. I rotate cold-room stock using FIFO and record temperature checks twice daily. I hold a HACCP Basic Food Hygiene Certificate, renewed in 2024, and have trained two apprentices in knife handling and cleaning routines. My earlier market-stall experience included weighing and pricing orders, operating the till, and cleaning and sanitising equipment.

FreshCart's emphasis on knowledgeable, friendly service and food hygiene fits the way I approach my work. I would welcome the opportunity to bring my practical butchery experience, care with food-safety routines and customer service to your team.

Kind regards,
Tomislav Mesarić
