Dear Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart Supermarkets' Zagreb-Jarun store. I hold a vocational butcher certificate and have worked in butchery and meat-counter roles since 2015, combining practical meat preparation with attentive customer service.

In my current role at Mesnica Kod Ante, I break down beef and pork, bone, trim and portion meat, and prepare fresh sausages. I also rotate cold-room stock each morning using FIFO and record cold-room and display-counter temperatures twice daily. I hold a Basic Food Hygiene/HACCP certificate, renewed in 2024, and apply HACCP and hygiene routines in my daily work. At the counter, I serve around 120 customers on a Saturday and advise them on suitable cuts and cooking times. These responsibilities align closely with your need for careful stock rotation, hygiene checks and helpful, knowledgeable service.

I value the practical craft of butchery and the customer connection that comes with giving clear advice. FreshCart's focus on fresh food and honest product guidance reflects the kind of service I aim to provide. I would welcome the opportunity to bring my experience in cutting, portioning, FIFO stock rotation, HACCP routines, and customer advice to your meat-counter team.

Thank you for considering my application. I look forward to discussing how my experience could contribute to the Zagreb-Jarun store.

Kind regards,
Tomislav Mesarić
