Dear FreshCart Hiring Team,

I'm applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I have nine years of experience in butchery and meat-counter work, along with completed vocational butcher training and HACCP certification.

In my current role at Mesnica Kod Ante, I break down beef and pork, bone, trim and portion meat for the counter, and make several kinds of fresh sausage using the shop's recipes. I also record cold-room and display-counter temperature checks twice a day. My customer-service experience includes advising people on cuts and cooking times, and I've trained two apprentices in knife handling and cleaning routines. I'd be glad to bring that practical experience and care for hygiene to FreshCart's staffed meat counter.

I can start after a two-month notice period. I'd welcome the chance to talk about how my experience could contribute to your team.

Kind regards,
Tomislav Mesarić
