Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I have completed butcher training and bring four years of meat-counter customer service experience, alongside practical butchery and meat preparation work.

In my work at Mesnica Kod Ante, I prepare fresh sausages—around 40 kg a week in the busy season—and prepare whole lambs and suckling pigs for events. I also rotate cold-room stock each morning using FIFO. My meat-counter experience includes weighing and pricing orders, operating the till, wrapping customer orders and keeping equipment and work areas clean. I have basic HACCP knowledge and take care with hygiene routines.

FreshCart's emphasis on knowledgeable, friendly counter service and honest advice fits the kind of careful, customer-focused work I value. I would welcome the opportunity to bring my butchery training, practical experience and customer service skills to your team.

Kind regards,
Tomislav Mesarić
