COVER LETTER

Dear FreshCart Hiring Team,

I am applying for the Butcher / Meat Counter Assistant position at your Zagreb-Jarun store. I hold a completed three-year vocational certificate in Butchery and bring nine years of experience in butchery and meat-counter service, including carcass breakdown, customer advice and food-safety checks.

In my current butcher role at Mesnica Kod Ante, I break down beef, pork and lamb, bone, trim and portion meat for the service counter, and prepare approximately 40 kg of fresh sausage per week during the busy season. I rotate stock each morning using FIFO and record cold-room and display-counter temperatures twice daily. Previously, at the Dolac market meat stall, I served customers, weighed and priced orders, operated the till and maintained clean, sanitised equipment. In my current role, I serve approximately 120 customers on a Saturday and advise them on cuts, quantities and cooking times. These experiences match the role's focus on fresh-meat preparation, well-managed stock, customer service and HACCP checks.

I'm also drawn to FreshCart's emphasis on product knowledge and honest customer advice through its "Ask the counter" promise. My experience developing the shop's lamb merguez and refining its ćevapi recipe in response to customer feedback reflects the value I place on understanding products and listening to customers.

Mesnica Kod Ante is closing at the end of 2026 as its owner retires, so I am seeking my next role in butchery and meat-counter service. I would welcome the opportunity to discuss how my experience could contribute to FreshCart's counter team.

Kind regards,

Tomislav Mesarić
