Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart's Zagreb-Jarun store. I have worked in butchery since completing my vocational butcher training in 2015, combining carcass preparation and fresh sausage production with customer service at the counter.

In my current role at Mesnica Kod Ante, I break down beef and pork, bone, trim and portion meat, and make fresh sausages. I also rotate cold-room stock using FIFO and record temperature checks twice daily. Alongside this work, I serve customers and advise them on cuts and cooking times—experience that fits FreshCart's focus on knowledgeable, helpful service and honest product advice.

I hold a basic HACCP food hygiene certificate, renewed in 2024, and take care to follow hygiene and cleaning routines. I have also trained two apprentices in knife handling and cleaning. I would welcome the opportunity to bring my practical butchery skills, reliability and customer-focused approach to your team.

Thank you for considering my application. I would be pleased to discuss my experience further.

Kind regards,
Tomislav Mesarić
