EXPERIENCE

Frontend Developer (Part-time, Freelance) | Self-employed *Oct 2025–Present*

- Built a booking website for a local yoga studio using Next.js and Tailwind CSS; hosted the site on Vercel.
- Made small updates to two WordPress sites.

Software Development Intern | Harbourline Media, Dublin *May 2024–Aug 2024*

- Worked with the web team on the company's React news site.
- Fixed accessibility issues identified in an audit, including keyboard navigation, colour contrast and ARIA labels, across 20+ components.
- Built a reusable image gallery component and created Storybook stories for it.
- Wrote unit tests using Jest and React Testing Library.

Barista (Part-time during studies) | Corner Bean Cafe, Dublin *2021–2025*

EDUCATION

BSc (Hons) Computing – Software Development | Liffey Institute of Technology *2021–2025 | First Class Honours*

- Final-year project: "Tidewatch," an accessible tide and weather app for sea swimmers, built with React, TypeScript and Node.js.
- Relevant modules: Web Development, Databases, Human-Computer Interaction, Software Testing, Data Structures & Algorithms.
