Dear Hiring Manager,

I am applying for the Butcher / Meat Counter Assistant position at FreshCart's Zagreb-Jarun store. I bring hands-on butcher and meat-counter experience dating back to 2015, with practical skills in cutting, portioning, customer advice and food hygiene.

At Mesnica Kod Ante, I break down beef and pork, prepare fresh sausage, and advise customers on cuts and cooking times. I record temperature checks twice daily and rotate cold-room stock every morning using FIFO. I also serve around 120 customers on a typical Saturday and have trained two apprentices in knife handling and cleaning routines.

Alongside daily counter work, I have prepared whole lambs and suckling pigs for events and developed products for the shop's sausage range. The ćevapi recipe I adjusted with customer feedback won second place at the 2023 Zagreb County craft meat fair. My basic HACCP food hygiene certificate was renewed in 2024. FreshCart's emphasis on fresh local food and knowledgeable counter service is a strong match for my experience advising customers and preparing meat.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience could contribute to the FreshCart meat counter team.

Kind regards,
Tomislav Mesarić
